## Hollywood Riviera Pastor Opens New Baptist Church

By Dorothy Richter

Reverend Carl Jennings, 212 Calle de Andalucia, Hollywood Riviera, held the first service of the First Baptist Church of Palos Verdes at the Valmonte Elementary School, 3801 Via La Selva, last October. Over 40 children and adults attended the first church school and 125 individuals participated in the morning worship service.

Now, at the close of the first two months, the church school is averaging 90 children and adults. Here's how the church has grown so rapidly. The church school has an opening service at 9:30 a.m. for the entire family. Each Sunday, the opening has a special program. One Sunday, Dave Shipley, well-known ventriloquist, told Bible stories to his little friend, Freddy.

On December 8, Mrs. Leola Marshall spoke on "Gifts of the Shepherds." Following the Sunday School opening, the meeting adjourns and everyone goes to their particular classes.

Classes are held for the benefit of an age span of two years to seventy plus. Pastor Jennings conducts the Pastor's Class for adults each Sunday. A nursery is maintained at all services.

The morning worship service is held at 11 a.m. in the school auditorium. Every Sunday a guest soloist is featured. A new choir is now being formed under the leadership of Fred Laing, who is the choir director, and Mrs. Shirley Goudron, the organist. Following the worship service, a coffee hour is held

and refreshments are served to the children and adults.

Each Wednesday afternoon, at 4 p.m., a Young Peoples' Pastor's Class is held in a home in the area. Wednesday evenings at 7:30 p.m., the Bible and Bible and prayer meeting is held weekly in a different home. "The warmth of fellowship is very appealing and unique at these gatherings, in that it reminds everyone of the early Christian meetings which were held in the home," states one of the Baptist parishioners.

Before coming to this area, Reverend Jennings was an assistant pastor at the First Baptist Church of South Gate. During the Korean War, he served as an officer in the army. A graduate of the University of Southern California, he received his seminary education at the California Baptist Theological Seminary. His wife, Evelyn, teaches school. They have one child, a daughter, Jennifer Ann.

## SERMON ON FOUR M'S

This Sunday at 11 a.m. Dr. Earl D. Barnum, minister of the Church of Religious Science in Redondo Beach will discuss many aspects of the Mind and its relationships to the individual as a thinking and acting and feeling being. His subject is "Mind—Mystery, Myth, or Mechanism."

As always, there is a competent nurse in attendance to care for tiny tots who are too young for the children's church which meets also at 11 a.m. on Sunday mornings.

Sunday, December 15, has also been chosen as the time of presentation of the new members to the church.

A schedule of all activities may be obtained by calling the church office and making this request.

Wednesday morning — 10:30 Inspiration Hour, in the Church classroom. Everyone is invited to attend these mid-week meetings.

## Church News

### First Lutheran Church to Receive Members Sunday

First Lutheran church, Carson and Flower will receive 27 adults into membership of the church next Sunday morning at the 10:45 a.m. worship service. Some of these adults will be received by transfer from other Lutheran churches, while others will be received through adult instruction. Many of these persons have recently moved to California from all parts of the United States.

Sunday afternoon at 4 o'clock the first in a series of Christmas programs will be given by the Sunday school. The program will be given by the pre-school and first grade children.

REV. CARL JENNINGS

### GOD THE PRESERVER OF MAN, SERMON TOPIC

The tender, preserving and protecting power, guidance, and protection of God, divine Love, is brought out in the Lesson Sermon, "God the Preserver of Man" which will be given in the Christian Science church, 750 Manuel, this Sunday.

Remarkable instances of spiritual protection, guidance, and direction evidenced in the life of the Apostle Paul are the main body of the Scriptural passages. While explaining some of his trials and triumphs to the elders of the church at Ephesus, Paul states, "None of these things move me... so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus" (Acts 20:24).

Brighten their Christmas with

## COLOR TELEPHONES

Looking for a gift they'll thank you for each day for years to come?

Then give them telephones in rich, glowing colors to harmonize with the decor of their personal rooms! They'll love color telephones in their kitchen, too — or beside their favorite chairs in living room or den.

Cost for extra telephones in color is just \$1 a month — (same as black) after a one-time installation charge.

EASY WAY TO GIVE A COLOR TELEPHONE

Drop in at our business office nearest you and order this Telephone Gift Certificate. Then your lady can choose the exact color tone she wants and have her new telephone installed right after Christmas.
